IFCC-Abbott VLP Committee:

Leslie Lai (Chair)

Maurizio Ferrari

Rolf Hinzmann

Stella Raymondo

Elizabeth Frank

David Armbruster

IFCC-Abbott Visiting Lecturer Programme

- 🌐 IFCC gratefully acknowledges financial support from Abbott Diagnostics Division

Visiting Lecturer Programme

- Supports international exchange of lecturers
- Creates global educational networks
- Sponsored by Abbott Diagnostics

Speaker's Bureau

- List of speakers and their topics
- Professional expertise
- May be invited to be IFCC-Abbott Visiting Lecturers
- Approved by IFCC EB as spokespersons

The Typical Application

- Each National Society (Full member or Affiliate member) may make one application each year
- Applications should be made at least 4 months prior to proposed visit
- VLP normally funds the return economy airfare and visa costs of the visiting lecturer

The Typical Application

- Host association is normally expected to provide all local hospitality
- Each visiting lecturer is expected to deliver several lectures and/or conduct workshops
- Visits to local laboratories should preferably be arranged for the visiting lecturer

The Typical Application

- **Approximate number of participants should be stated**
- **Topics are not restricted**
- **Application should be signed by President or National Representative**

Reports required

- **National Society and Visiting Lecturer survey form and brief report**
- **Summary of evaluation feedback by participants**
- **Visiting lecturer survey form and brief report**
- **Reports may be published in IFCC e-News**
