IFCC Members: June 2014

- 89 National Society Full Members
- 10 Affiliate Members
- 5 Regional Organizations
 - Europe
 - Asia & Pacific
 - Latin America
 - Arab
 - Africa
- 52 Corporate Members

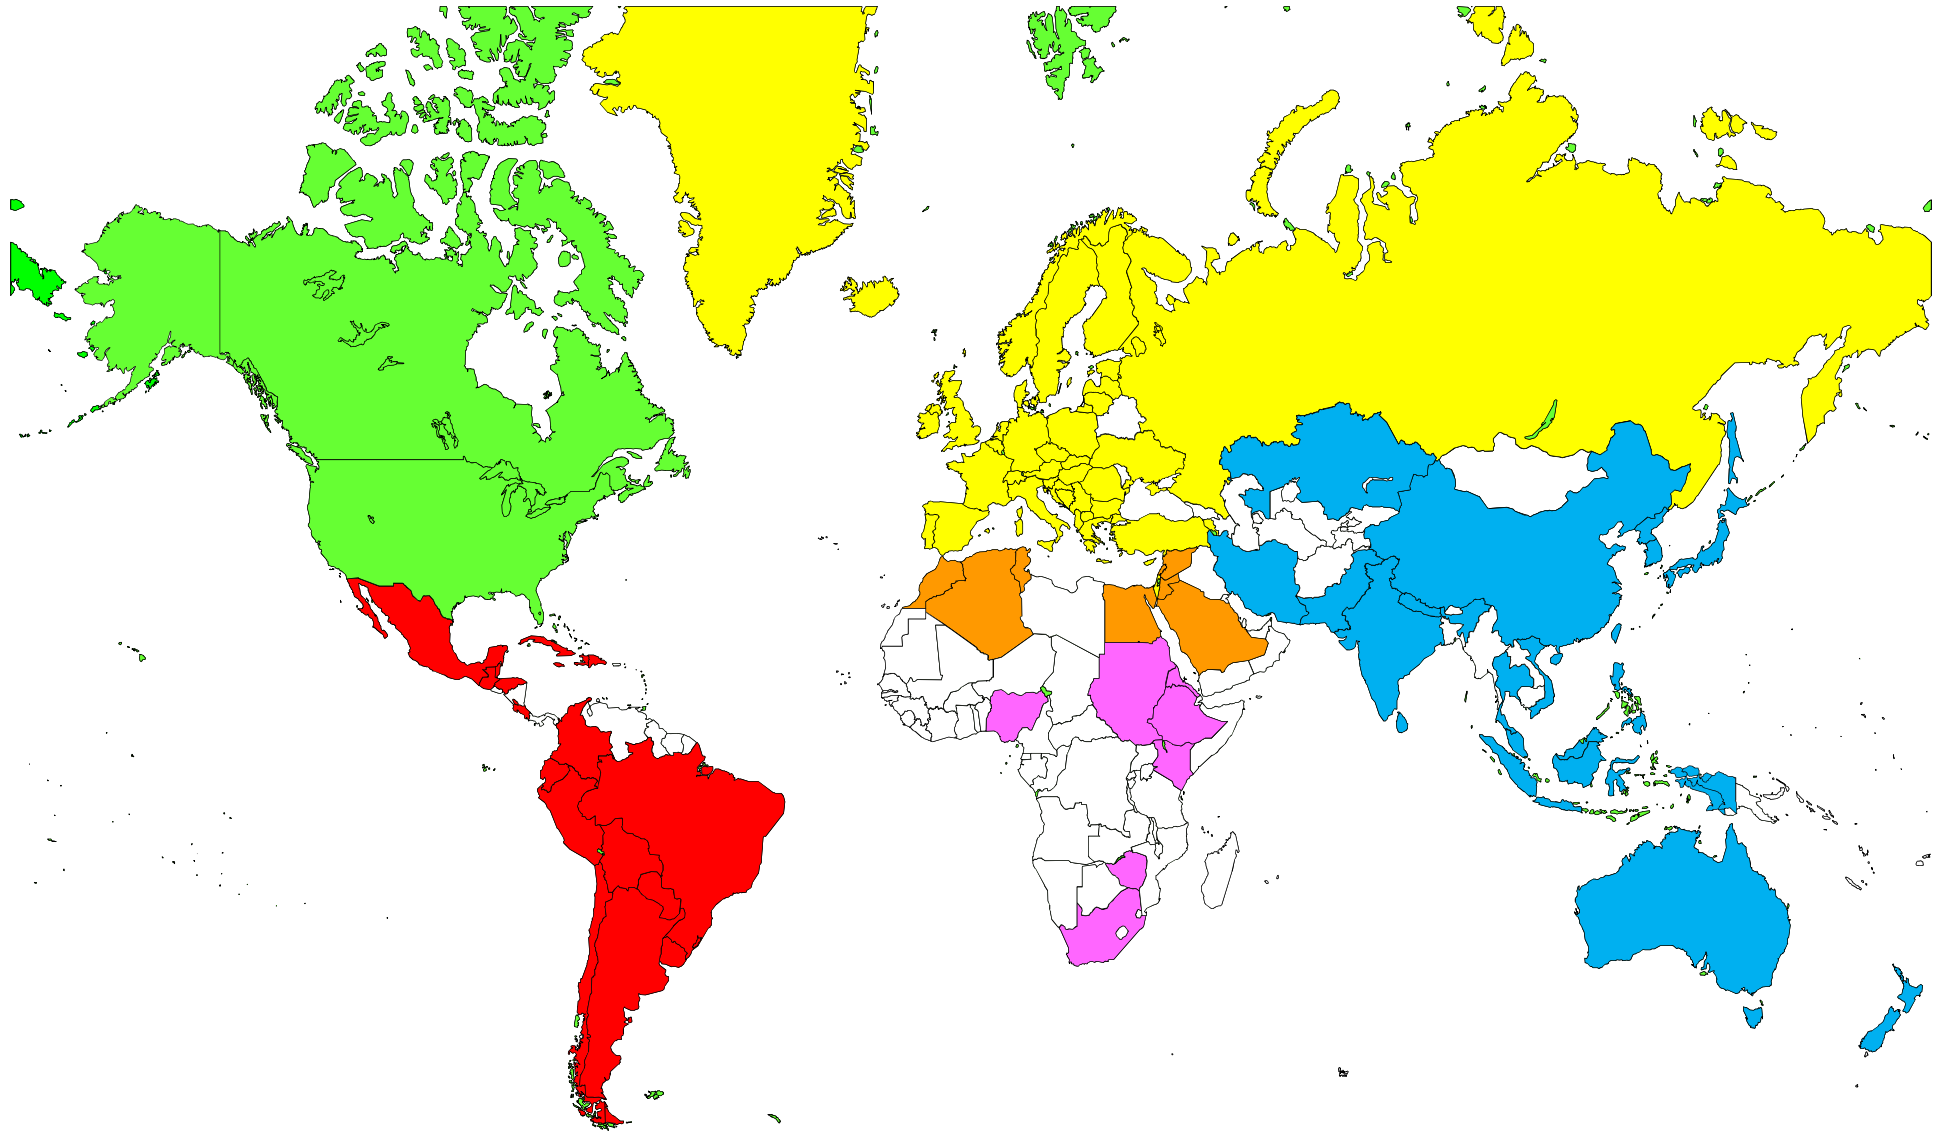

Representing
>40,000
senior
professionals

Membership Change Since 2011

IFCC Full Members June 2014

Welcome Since 2011

Full Members:

Nepal:	Nepal Association for Medical Laboratory Science (NAMLS)
Zimbabwe:	Zimbabwe Association of Clinical Biochemists (ZACB)
Kazakhstan:	Association of Medical Laboratory Diagnostic (KAMLD)
Zambia:	Biomedical Society of Zambia (BSZ)
Bolivia:	Sociedad Boliviana de Bioquímica Clínica (SBBC)
Mexico:	Colegio Mexicano de Ciencias de Laboratorio Clínico, A.C. (CMCLC)
Macedonia:	Macedonian Society of Medical Biochemistry and Laboratory Medicine (MSMBLM)
Saudi Arabia:	Saudi Association for Clinical Chemistry (SACC)

Affiliate Members:

Ukraine:	Association of Clinical Chemistry and Laboratory Medicine of Ukraine (ACCLMU)
India:	Association of Medical Biochemists of India (AMBI)
Mexico:	Federación Nacional de Químicos Clínicos (CONAQUIC A.C.)

Welcome Since 2011

Corporate Members:

Labquality Oy

Mindray - Shenzhen Mindray Bio-Medical Electronics Co., Ltd.

Nova Biomedical Corporation

Merck Millipore

C.P.M. Diagnostic Research SAS

Oneworld Accuracy Collaboration

Wisplinghoff Laboratoriumsmedizin Köln

ELGA LabWater

PPD Inc.

Instrumentation Laboratory

Shanghai Zhicheng Biological Technology Co.,Ltd

ADx Neurosciences

Snibe Co., Ltd (Shenzhen New Industries Biomedical Engineering)

Fujirebio Europe

Diatron

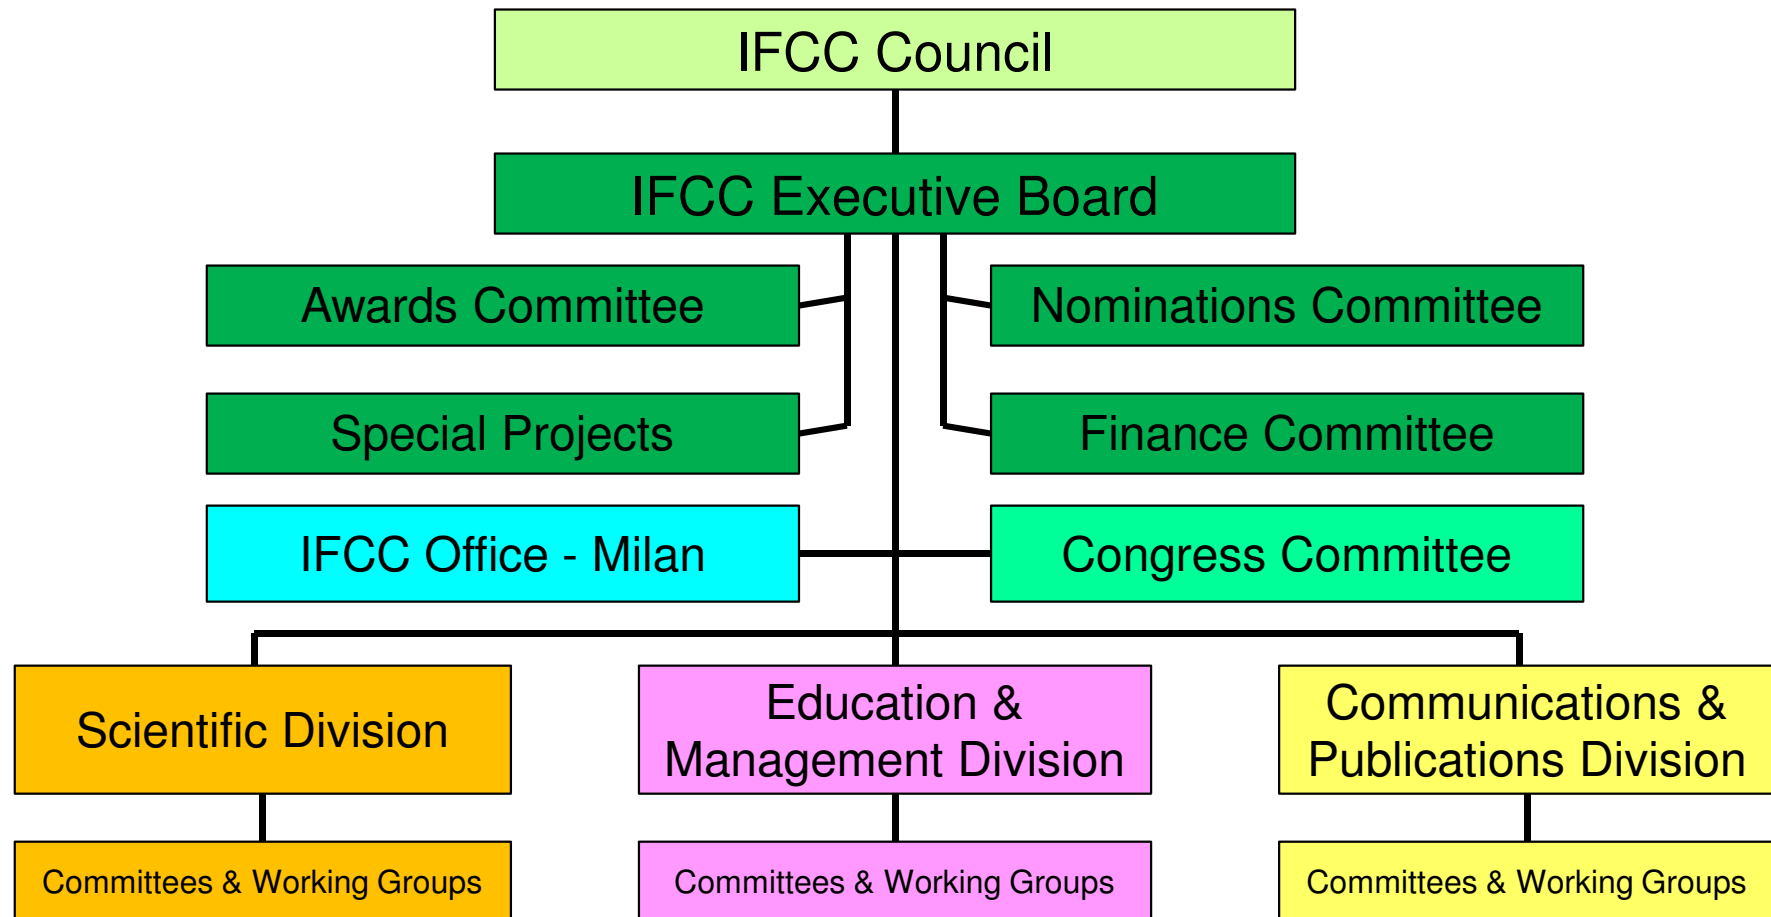

Guangzhou Wondfo Biotech Co. Ltd.

Sonic Healthcare Europe

Achievements: Strategic Plan

26 Action Points: 22 achieved; 4 in progress
Details of strategic plan from www.ifcc.org

Achievement: 'Shaping the Future'

**IFCC**
International Federation
of Clinical Chemistry
and Laboratory Medicine

SHAPING THE FUTURE OF LABORATORY MEDICINE

The organisation and delivery of Laboratory Medicine services is undergoing rapid change in every country in the world. This pamphlet summarises the drivers for change and how IFCC intends to respond.

Leading the field of Clinical Chemistry and Laboratory Medicine worldwide - www.ifcc.org

A vision for the future

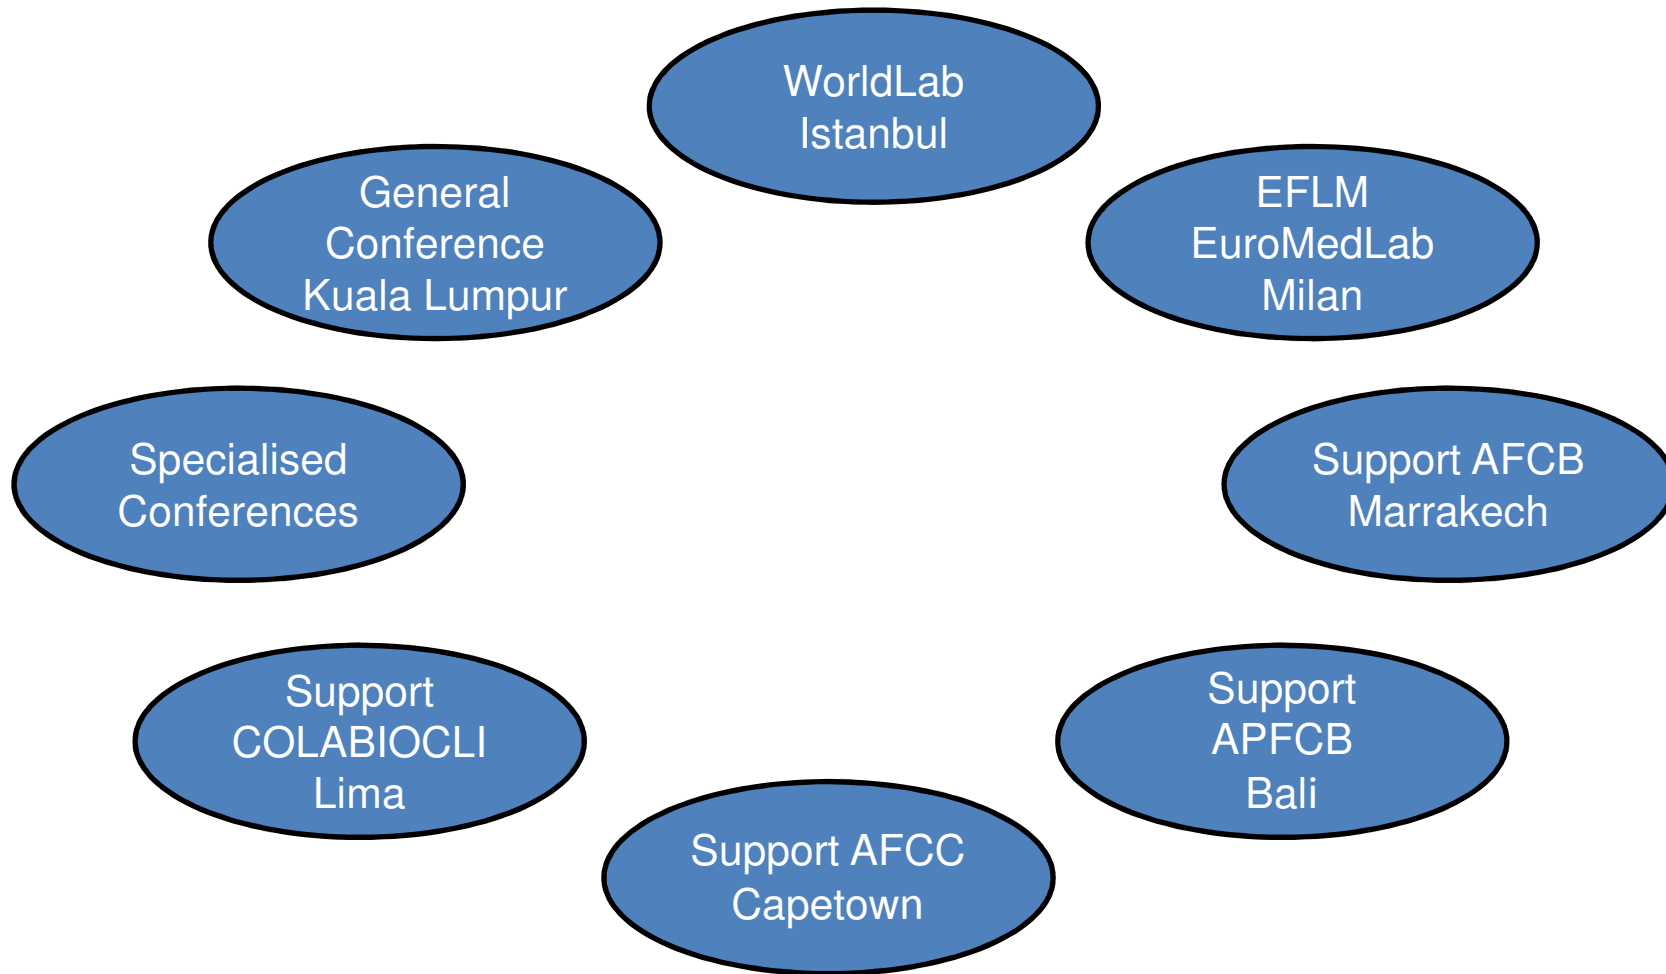

Arising from
IFCC Strategic Plan

Launched May 2013
to all IFCC Members

One year consultation

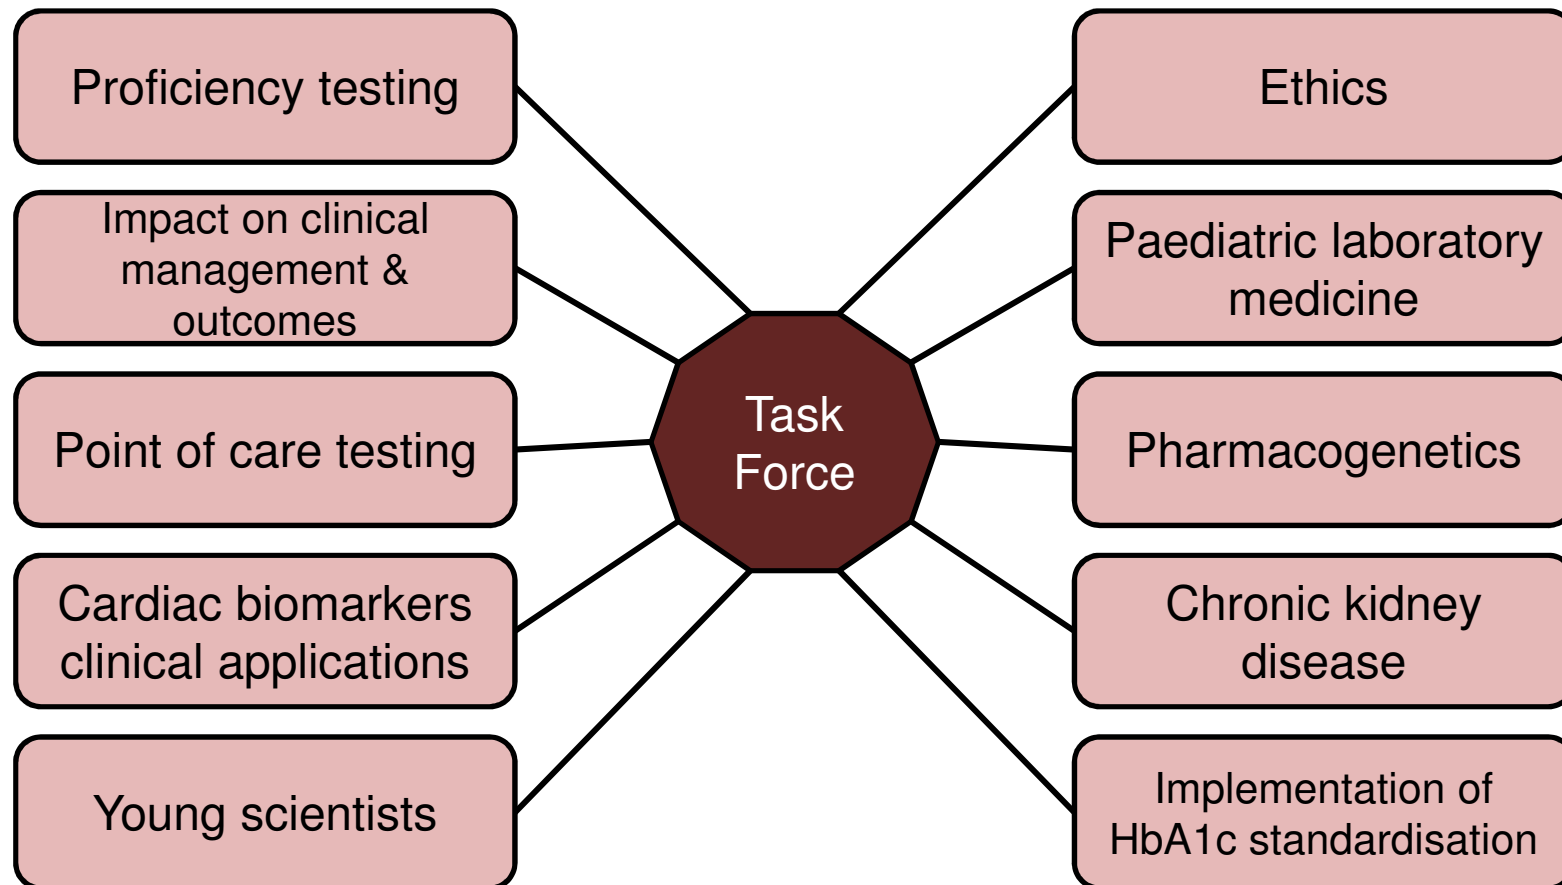

Debate at IFCC Council
June 2014

Achievements: Conferences

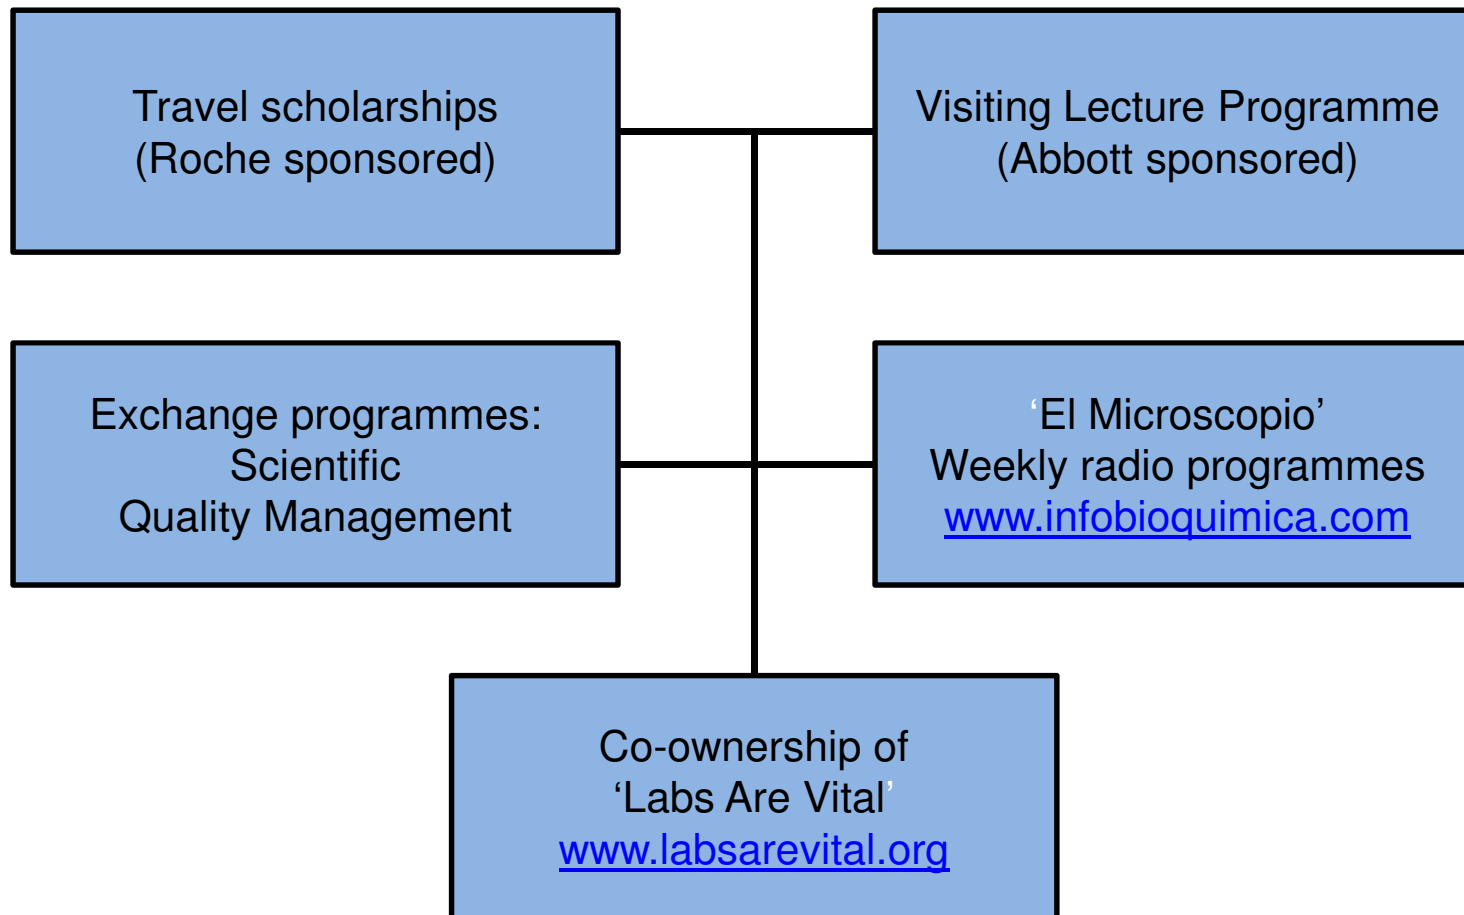

Achievements: Task Forces

Several in collaboration with international clinical organisation

Achievements: Special Projects

Achievements: International Collaboration

World Association of Societies
of Pathology & Laboratory Medicine

American Society for
Clinical Pathology

International
Organization for
Standardization

World Health
Organization

International Union of
Pure and Applied
Chemistry

IHTSDO

– global efforts for a common health terminology

Achievements: International Clinical Groups

- World Gastroenterology Organization
- The International Association of Therapeutic Drug Monitoring and Clinical Toxicology
- International Society of Endocrinology
- American/British/European Thyroid Associations
- International Diabetes Federation
- International Growth Hormone Society
- European Association of Allergy and Clinical Immunology
- International Osteoporosis Foundation

IFCC Foundation for Emerging Nations

To be launched during Summer 2014

- A new Charitable Trust, which is registered in Switzerland
- Independent of IFCC with its own Board of Trustees

- The Foundation is devoted to fund raising and to supporting programmes that help to improve the quality and delivery of laboratory medicine services, in particular in developing countries.
- The Foundation does not pursue any commercial interest and does not strive to make a profit.

Opportunities

- Welcoming new Members from emerging disciplines of laboratory medicine
- Increasing international profile
- Delivering more patient focussed projects
- Collaborating with Regional Federations to deliver more support at local level
- Demonstrating the impact of laboratory medicine in healthcare

Challenges

- Resources (human and financial) in an ever more pressured healthcare environment
- Prioritising and delivering projects
- Meeting the expectations of Members
- Embracing change
- Keeping the IFCC family together
