IFCC

Global organization

Vision:

*Advance excellence in
laboratory medicine
for better healthcare
worldwide*

Communications and Publications Division (CPD)

It is the mission of the CPD to:

- **Communicate** the work of the IFCC to clinical laboratory scientists, physicians and health care policy makers **worldwide**
- Provide **educational material** to clinical chemists in both printed and **electronic forms**
- **Promote** the image of the IFCC to its individual members, to the biomedical industry and to the **world-wide health care community** at large

Our Website

- Structure based around IFCC functional units
- Open resource
- Over 760 pages
- Maintained and managed by the IFCC office staff and C-IeL, supported by web development company InSoft Digital

Some Features

- Details of IFCC organization and structure
- Links
- Event calendar
- Continuing education material
- IFCC publications database dating back to 1973
- IFCC publications eNews and eJIFCC; current and archived editions
- An expert database

IFCC News - May / June 2006

**EDITORIAL:
EDUCATION AND MANAGEMENT DIVISION (EMD):
NEW FACES AND NEW DIRECTIONS**

Janet Smith
Incoming Chair, IFCC Education and Management Division

The Division has prospered and developed under the excellent chairmanship of Professor Gerard Sonders from the Netherlands. He stands down from this role in the summer of 2006 and must be congratulated on all he has achieved. I will succeed him in this challenging, but I'm sure rewarding, role. I have been a member of the Executive Committee of the Division for nearly two years and this has given me an insight into the contributions individual members make to its efficient running.
