Advancing excellence in laboratory medicine for better healthcare worldwide

• Terms of Reference

- Gather and disseminate information about the activities of the EB, SD and EMD and their Committees and Working Groups.
- Publish news and information about the activities of IFCC Members and Corporate Members.
- Provide early information about discussions taking place within the Division Committees in order that the topics of current concern, and future developments, are known to all those practicing in the field.
- Publish a calendar of all IFCC congresses and meetings.
