Department of Biochemistry G.B.Pant Institute of Postgraduate Medical Education & Research (GIPMER) Associated Maulana Azad Medical College	India	JLN Marg, Delhi-110002, India	Head, Department of Biochemistry	pradeep_dabla@yahoo.com	Prof. (Dr) Pradeep Kumar Dabla	pradeep_dabla@yahoo.com	1-3	Anytime	Campus with all facilities to conduct technical experiments mentioned in coulumn K & L. Food is all time available in campus and lodging facility can be arranged on preinformation with appropriate time and availability. Further, lodging facilities are also available around the campus as well. It's a big & safe campus.	We provide specialised services in Clinical Chemistry, Neurochemistry, Molecular Biology, Specilaised Techniques (like Protein elctrophoresis, ELISA etc.), Artificial Intelligence. Our Institute is one of the most renowned places for medical education (MBBS, MD, MS, DM, MCH, Lab Technical staff education) in India & abroad associated with Delhi University, India and situated at Delhi, a capital of India. We are working for highly specialised patient care services like Cardiology, CTVS, Gastroenterology, Gastro Surgery, Neurology, Neurosurgery, Psychiatry with full Lab support (Clinical Biochemistry, Clinical Pathology, Clinical Microbiology & infectious diseases).	Apart from technical education, we can help visiting scientist learning writing research protocol and enhancing reserach paper publication skills, statistics with the high impact background of department and faculties associated with various resrech projects. We may also offer working for Artificial Intelligence and its application in pateint care services. Young scientists Mentorship prog being started by Prof Pradeep K Dabla with various initiatives in developement and prominence of IFCC TFYS globally for decade and then further imparting full technical hands & knowledge in IFCC MHBLM and IFCC GLQ.
